

BE SAFE, GET COVID 19 VACINATIONS

Our lives are changed but have you noticed that someone forgot to tell the trees, the flowers, the birds and the bees about the Pandemic?

No one knows what the “new norm” will be like in 2021, 2022 and beyond. But as I wait for planted flower and veggie seeds to germinate I look forward to the predictable, mundane tasks in my garden. Let Nature give you comfort and hope and keep gardening. Stay healthy.

- 1. A New York Heather Garden (pictures and write up) has been added to the GARDENS section “MEMBER GARDENS “**
******* CHECK IT OUT *******

- 2. Put your Garden on this NEHS website**

Your Heather Garden can be featured in the “**MEMBER GARDENS** “ The only requirement to have your Garden (vegetable or flower with hardscapes) featured on this page is to include a photo of at least one heather plant that you grow.
