

Missing Address Labels

A half dozen Heather Notes, Vol27 No. 2 have been returned minus an address label. If you haven't received your paper copy of this latest issue send an email to pmatwey@stny.rr.com and Pete will send one ASAP. Or you could read the Heather Notes here on the NEHS website www.northeastheathersociety.org . Lots of good stuff in this issue. I hope the US Postal sorting machine that ate the labels got a tummy ache.
